Participant's horseback riding experience:

Under the Michigan Equine Activity Liability Act, an equine professional is not liable for an injury to or the death of a participant in an equine activity resulting from an inherent risk of the equine activity.

I have filled out, returned this form, the liability and release waiver form and a membership, if I am not already a member, and paid for the lesson program of my choice. I have reviewed and understand the MCEC Policies and Rules. I understand that I must follow the rules and be under the direction of the instructor while participating in the horseback riding lesson program.
